

Do you know where and when the Spring Gathering for the Illinois State Council will be?

I can tell you—you will be on a road trip to Quincy. It has been a long time since the State Council ventured this far west. Epsilon Zeta would like to invite you to “Spring along the Rolling Mississippi River.”

The gathering will be at the Cedar Crest Country Club, 3312 No 36th Street Quincy, Illinois.

When: Saturday, March 23, 2024

Registration will begin at 9:30 am

Card Making for the Veterans at the Illinois Veterans Home from 10-11:30

Speaker from the Illinois Veterans Home—11:30 to 12:00

Lunch 12:00-1:00 pm

Business meeting 1:00 pm -3:00pm

I will have basic card making supplies on hand. But if you have your own supplies/tools that you would like to bring, please do so. Since this is Palm Sunday weekend, I thought we could make Easter cards or thank you cards for the residents at the Veterans Home. And then present them to the speaker when they arrive.

Since this is a weekend during Lent, if you come to Quincy on Friday—there are plenty of local fish fries. Since Quincy is on the river, the usual fare is catfish, carp, buffalo, and some places have walleye. But the restaurants will also have shrimp, cod and some even have frog legs.
