Illinois State Council

ESA 'ly Yours

Summer 2018

Editor - Jill Shull - ESAlyyours@gmail.com

Epsilon Sigma Alpha (ESA) International

is an extraordinary organization – an organization that is truly defined by the hearts, loyalty, and dedication of our members. An international leadership and service organization, ESA is a place where members develop meaningful friendships, find their passion for community service, and continue on the path of lifelong learning. The Illinois State Council consists of 15 chapters throughout Illinois with the purpose of promoting philanthropic and service endeavors, educational and leadership development, friendship and fellowship, and to assist in the growth of ESA.

All chapters through ESA volunteer and fund raise for St. Jude Children's Research Hospital in Memphis, TN and Easterseals. The Illinois State Council philanthropy is Camp New Hope, nestled on the banks of Lake Mattoon in central Illinois; the camp is a place where developmentally disabled children and adults have been enjoying the myriad of recreational programs and activities at the premiere facility since 1974. Chapter members throughout the state work extensively within their own communities providing helping hands and fund raising and awareness for many projects, such as, Community Cancer Center, Human Society, Homeless Shelters, Soup Kitchens, Veterans & Family Readiness programs, Wounded Warriors, etc.

Through ESA, women and men of all ages, backgrounds, and interests are united by the desire to make a difference in the lives of others – as well as their own. Some join collegiate or community chapters, others join as individual members. But all leave a positive mark on their communities and the world around them.

When you join ESA, you become a part of a large network – one that supports you, challenges you, and works with you to help you become your best self. You'll grow as a person, becoming more confident and a better leader. You'll be introduced to new situations that expand your horizons and increase your levels of knowledge and understanding. Perhaps most importantly, you'll have fun, make lasting memories, and form deep bonds with fellow members, as you work together to accomplish good things on a local, state, national, and international level.

Happy Summer, Everyone! Before I continue, I want to THANK each and every one of you for your Support, your Kindness and for your Encouragement during our June Convention and with my Installation. As it has been said before, "it takes a village", well, please know that our Illinois members are one heck of a village!!

The Minutes from our 70th Annual Convention will be published in this newsletter. Please take the time to read what YOU have done this past year! Our Illinois Chapters are amazing and we need to hear this from time to time .. so KUDOS to each of you, big or small – we DO it ALL.

THANK YOU, also to our Beta Mu members, Charleston and Delta Xi members, Neoga for bringing us "Once Upon a Time, Epsilon Sigma Alpha …. ESA Our Story." From the decorations, the stories and history of ESA, to the new friendships created, down to the ESA 'molded' books (amazing!) ..this year's Convention was fantastic in every way possible … Thank You for memorable Convention.

I have just returned from the "Sunshine and Celebrations", 71st Annual International Council Convention in very HOT Phoenix. Just to touch a little on some interesting 'info': The "Jonquil" news magazine has undergone a huge update … It is now called "Journey". We are asked to submit pictures by August 1st for the Fall issue and again by February 1st for the Spring issue. These can be sent via JPG, PNG or PDF formats; please include your name, location, chapter name and full names of the people in the image (if less than 12 people shown). Submit to www.epsilonsigmaalpha.org. The articles are still being centered around YOU, the members. So, feel free to send something about what your Chapter has done to ESA Headquarters.

The Celebration of Life was held on Saturday morning with IC Chaplain Linda Schmidt presenting a beautiful tribute to all. Sadly, Illinois has lost the following Sisters during 2017-2018:

1.Katherine "Kay" Baker – Beta Eta

2.Betty Galas – Gamma Chi

3.Norma Grisamore – MAL

4.Dianna Hooper – Alpha Upsilon

5.Georgia Isle – Beta Eta

The Workshops were plentiful …ranging from a Creative Card Design, meet the Hotel Chef (minus any food or drink samples ☹), a Native American flutist, to a "Who do you Think You are, Part 2", followed by a 'hands on' Hope for Heroes workshop.

We had an interesting and heartwarming St. Jude "Meet the Patient" presentation. But, the most touching was meeting little Sophia and her parents at the Easterseals workshop. Brothers and Sisters, "this" is why we do what we do …For the Kids!

I do want to say Congratulations to Jill Shull for our IL ESA'ly Yours Newsletter coming in Second in the Nation!!

There was so much more valuable information shared; that I honestly can not list all of it in my article. However, I will be sharing more IC Convention highlights and the awards that ILLINOIS earned this past year at our Fall Leadership and Board Meeting.

Jamie Atchison and Adrian Sperduto are in the process of updating our website. There will be a new section of "Chapter Events". These are YOUR Chapters upcoming events which I would love to share with you. So, Chapter Presidents please send me information of what is coming in your area – if I know of it ahead of time – I WILL be there!!

In closing, I want to let you know that there will be a Planning Meeting to be held on August 11th at the Mattoon Public Library. At this time, I would appreciate your written input, whether you are an Executive Officer, an Appointed Officer or our IL member – please send me what YOU want to see our State accomplish this upcoming year. My email address is: tomkat31953@gmail.com.

Thank you, once again, to ALL of YOU – our fantastic, gracious, hardworking and St. Jude, Easterseals, Hope for Heroes and Camp New Hope minded members!!

Till we meet again ….. continue to seek out members, you never know where they may appear! Encourage them, Learn from them, Treat them with respect and continue our Legacy of ESA.

Hello ladies and gentlemen, I hope you are enjoying your summer. Mine is going by very quickly, two weeks left and then we are back to the school routine. I haven't written an article in a long while so I hope it doesn't sound to corny. As some of you know my theme for next year will be "Step Up In ESA". I'm asking that each one of you step up and out of your comfort zone and try something new in ESA. Try a new office or a new project, try something new in your meetings, just try something. If we want our Philanthropic Organization to continue we have to do this. The same people can't continue to keep it going without new people "stepping up" and committing to our state and local offices. If I can do it, anyone can. I'm hoping to have a membership challenge for the year by the Fall Leadership Board meeting. If anyone has any ideas please let me know. I'm going to leave each article with a motivational saying, so here goes.

Move out of your comfort zone. You can only grow if you are willing to feel awkward and uncomfortable when you try something new. - ***Brian Tracy***

See you in the fall.

2018 - 2019 ISC PAST PRESIDENT

Summer Greetings!

Can you believe at that summer has gone by so quickly and school will start in a few weeks? With summertime come tornadoes, a natural disaster that could affect us since we live in the Midwest. As you know, the ESA Disaster Fund is the one fund that we help ourselves and other members of ESA. On our website, the guidelines are posted – they provide the information as to what would qualify for someone to receive funds in the event of a disaster. The maximum amount to receive is $5,000. Please consider having a fund raiser for the Disaster Fund.

On to some fun stuff! I attended the ESA International Convention in Phoenix this year. It was great to see old friends to catch up as well as meet new members. I'm proud to say that Illinois did well at the Awards Luncheon where our own Maria Bingheim was the MC. The awards are listed in this publication of the ESA'ly Yours; however, a special call out to two members – Jill Shull, Editor of the ESA'ly Yours received second place in the five edition category and Laura Bein cleaned house with her single event for raising funds for St. Jude's Children's Research Hospital. Great job ladies!

2018 - 2019 ISC CHAPLAIN

Paula Winchester
pkwinn@mchsi.com

Welcome to summer and another new year. I've just returned from Phoenix and another IC Convention.

To say that Phoenix was a little warm is an understatement! It was over 100 degrees the whole week we were there. But it was a great convention in spite of the heat. Got to visit with our sisters from all over the country.

Speaking of conventions, I would like to send out a big thank you to our Beta Mu and Delta Xi chapters for hosting our own ISC Convention. I'm sure all those who attended had a great time. Congratulations to our now past President Rhonda and her board for a very successful year. Also to our new President Kathleen and her board. I wish them a good and successful year ahead.

This year I have the pleasure to serve as the ISC Chaplain. I look forward to hearing from our Illinois sisters about what's happening in their lives, the good or unfortunately the not so good. If you have an event in your life, please let me know so I can send you cards from your Illinois sisters. You may send them to me by e-mail at pkwinn@mchsi.com or my cell phone, 217/259-9274. My mailing address is 1917 Evergreen Ct., Mattoon, IL. 61938.

So far this year I have sent cards to Vicki King, Fairfield, to welcome her new granddaughter, to Adrian Sperduto for the death of her Grandfather and to Leann Polston, Omega Nu for being hospitalized, and to Joyce McCoy, Omega Nu for a fall.

Again, please let me know if you need a card sent to one of our sisters, please include some information about the reason for the card and an address for the person it needs to be sent too.

Hope to see everyone at the MARC Conference in Sioux Falls.

2018 - 2019 ISC ESA for ST JUDE COORDINATOR

Kim Haverkamp
kimnhavy@aol.com

I want to start by saying Congratulations and Thank You to you, ESA Illinois members! Last year (2017-18) ESA Illinois contributed $1,492,295.66 to St. Jude Children's Research Hospital. It truly took teamwork and many hours. I am sure there were lots of laughs and fun included too! At this time I want to challenge ESA Illinois to surpass the amount contributed this past year-no limit. WE CAN DO IT!

I look forward to seeing some great ESA for St. Jude events this year. Please be sure to complete the booked and completed event forms for each St. Jude event you hold. The forms are located at www.epsilonsignaalpha.org/member-center/chapter-management/st-jude. You can also check out the Coordinator page for a welcome video and resources that will help you promote your events at epsilonsigmaalpha.org/StJudeCoordinator. Please email me 1 or 2 pictures taken during your St. Jude event(s) so they can be included in the St. Jude presentation during ESA Illinois State Convention in 2019.

Now is the time to register for participation in the St. Jude Memphis Marathon Weekend at stjude.org. Race day is December 1, 2018. Also other St. Jude Walk/Run to End Childhood Cancer opportunities include: Chicago, IL (Sept. 8th), Peoria, IL, St. Louis, MO (Sept. 22nd), & Normal, IL (Sept. 29th).

I also encourage you to visit stjude.org for the latest research findings. I especially would direct your attention to the article posted by Karina Perez-Ortiz on April 12, 2018 titled "Creating beauty during an ugly fight". The hospital's Child Life Program hosts annual St. Jude Teen Art Shows. "It's a collection of artwork by teen patients who have poured their thoughts and emotions onto canvas". Karina is a teen and a patient at St. Jude. She says, "Each year when I hear it's coming up, I get excited. It's important to have little things to be happy about and look forward to while going through treatment. Creating art has helped me express my feelings. I've also learned how to look on the bright side of things as I go through this long, difficult journey." I have seen this wall, in the hospital, covered with art and it is so amazing to see such incredible expressions of emotions.

Here's to a fantastic year and remember *"Anyone who thinks that they are too small to make a difference has never tried to fall asleep with a mosquito in the room"* - Christine Todd Whitman.

2018 - 2019 ISC FOUNDATION DIRECTOR

Jamie Atchison
jamiea2@gmail.com

The ESA Foundation is a nonprofit/tax-exempt organization pledged to develop philanthropic activities of volunteers, provide assistance to established programs that serve human needs, and produce new programs to improve the quality of life. The Internal Revenue Service has ruled that the ESA Foundation is exempt from federal income tax under section 501(c) 3 of the Internal Revenue code as an organization operating exclusively for charitable and educational purposes.

The ESA Foundation was established as the ESA World Center Foundation in 1970 by the members of Epsilon Sigma Alpha International (currently known as ESA). There are so many ways to help the foundation grow:

1-The easiest way is to use the Turn Around for your donations, write one check from your chapter (excludes ALSAC sponsored events) to the ESA Foundation, fill out the contribution form, providing a list of benefactors including their EIN numbers and the foundation will mail you back the individual checks (except for St. Jude) and you will mail them on to the benefactors. This helps the foundation maintain and keep their 501c3 federal tax exempt status. Find out more at https://www.epsilonsigmaalpha.org/about/ESA-Foundation/contribute/turn-around-fund

2-Donate or Start and Endowment, the cost of education is rising to all time highs, help students achieve their dreams by contributing to an existing endowment or starting one of your own. Find our more at https://www.epsilonsigmaalpha.org/about/ESA-Foundation/endowments

3-Fund the Grants program by becoming a Life Active member, either you or your chapter may become a Life Active Member of the ESA Foundation by paying two installments of $250 between now and May 31, 2019. Many grants are available to help people advance in their careers. Find out more at https://www.epsilonsigmaalpha.org/scholarships-and-grants/

Thanks for all those contributing to the endowments this year, the recipients are:

Billy Brockmann - $1300 awarded to Gabriella Newton - Washington, IL
Charles B. Atchison - $500 awarded to Thao Pham - Rock Island, IL
IL State - $500 awarded to Olufunmilayo Ashiru - Chicago, IL
Second Chance - $1500 awarded to Olufunmilayo Ashiru - Chicago, IL

Please help me reach my goal this year of getting 3 Life Active Members (individual or chapters) from Illinois this year!!! Also if you are an life active member, I will be reaching out to you to help assist spread the word about the ESA Foundation and all the great benefits that it has to offer!

2018 - 2019 ISC CAMPAIGN FUND DIRECTOR

Jamie Atchison
jamiea2@gmail.com

Thanks to all those who donated to the IL Campaign Fund at state convention to support Illinois members running for International Council and Midwest Area Regional Council office. Congrats to Leann Polston for winning the summer fun gift bag! The campaign fund goal is $1000, we are getting closer and we will have a raffle at the fall meeting.

Due to work constraints, Maria Bingheim withdrew her name from the IC Ballot, she will be serving at the 2018-19 IC Chaplain, she will do a terrific job and we wish her all the best!!! Rhonda Rawlings will be running for MARC Parliamentarian in October at the annual conference, we wish her all the best!!!

If anyone else is interested in running for an IC office, nominations form are due November 15th and you should have your chapter and state support.

2017- 2018 IC ESA for ST JUDE SENIOR

Celeste Webb
webbfam@consolidated.net

As my time on the International appointed board as the St. Jude Sr. chair ends, I would like to thank all of you for your advice, encouragement and support. Illinois did amazing things the last two years! We have reached new heights thanks to all of your hard work! I am blessed to be part of this amazing state council.

As you have heard by now, Illinois was 5th in donations raising $1,592,537! WOW! I was so excited as it was announced! Lot of hard work went into that total from many of you.

Please do not stop working for the kids. There are allot of opportunities coming up in the near future for all of us. Right around the corner is the Walk to End Childhood Cancer. Illinois is blessed to host THREE walks! There are walks in Normal (September 29), Peoria (Sept. 22) and Chicago (Sept. 8). They are on different days this year so you have the opportunity to pick a walk to help at or to walk! If you can't travel you can always have a virtual walk. The instructions are on the ESA International Website on how to start or join a virtual team. You don't have to leave the comfort of your own home to be a part of this event. ESA has pledged to be a gold sponsor this year so we must raise $100,000.00! We need everyone to help.

At the IC Convention in Phoenix, ALSAC announced the opportunity for smaller cities and towns to host their own walk. If you remember, in 2008 when the Give Thanks Walk started Omega Nu hosted a walk at our mall. We raised a few thousand dollars but our walk was eliminated two years later as we were not a huge money maker. ALSAC has looked into the inquiries to add walks in smaller cities and has agreed to allow these fundraisers. I am hoping Omega Nu and many of you will look into this possibility. The information will be added to the website soon.

Last year, I attended my first Memphis Marathon. It was inspiring but I was the only Illinois member there. In the past, Jamie, Vickie King, Peggy Best and others have attended. Please consider joining this event. There are many volunteer opportunities available. I have a room reserved and will add more if you'd like to join me. Race day is December 1st so I hope to see you there.

Again, thanks for all you do. It was a great experience and I appreciate all of your support. Hugs

Best Practices Tips for Branding ESA through Event Publicity

- Use “Presented by Epsilon Sigma Alpha” and the ESA circles logo at the TOP of the page, post, or flier. If you include your chapter name anywhere, it should be much smaller and appear as a subtitle like, “sponsored by Beta Kappa chapter/Tampa and Delta Sigma chapter/ Tarpon Springs”. Our goal is to help Epsilon Sigma Alpha ESA become a household name, and our success depends upon promoting ONE name nationally, not the hundreds of local chapter names we have. (Think like Coke and Rotary… promote the unified brand).

- When partnering with another organization, you may use their recognizable logos and name too if that helps attract attention, just make sure ESA gets top billing if it’s our event or equal billing if we are co-sponsoring.

- Post the logo and name of the beneficiary of your good works prominently (St. Jude, the M.S. Society, American Cancer Society, Jackson County Food Bank etc. all have recognizable logos that will help).

ALPHA ALPHA

Jamie Atchison

Hello! Thanks for Delta Xi & Beta Mu for hosting a great convention in Effingham!!! Alpha Alpha takes the summer off, but we're gearing up for our annual St. Jude Walk/Run featuring the We Care Twin Cities Half-Marathon, the only Walk/Run in the country to feature the half marathon. Donna Wilson and Jamie Atchison serve of the steering committee and we'll be meeting weekly beginning in August! Again, we need help to get credit for the event, please join our Normal ESA team, you can register at https://fundraising.stjude.org/site/TRR/Walk/Walk?fr_id=89630&pg=tfind&skip_login_page=true

Alpha Alpha is also focusing on rebuilding membership. If you have any friends in the Bloomington - Normal area, please send the names and contact information our way as we'd love to meet them!!!

ALPHA UPSILON

Jane Raciti

Warm Summer Greetings from your Alpha Upsilon sisters! Our chapter has been staying busy and has completed a very successful "Save a Child's Life" Traffic Stop to benefit St Jude Kids. Our June meeting was a traditional combination of business and fun as we gathered for a pot luck picnic in the park.

We are once again looking forward to providing beverages for Mattoon's Bagelfest Breakfast, July 21st, at the DeMars center. And the first week of August we will be holding our annual Rummage Sale at the Cross County Mall. So stay cool and enjoy this summer!

BETA PSI

Lurene Conner

The Southern-most Chapter is still here. When people ask me at out-of-state meeting where I'm from and I answer "Illinois", the reply is too often, "Oh, Chicago!". (Did you realize there is more to the state?) Once I answered that I was sixty miles north of the confluence of the Ohio and Mississippi Rivers. That received a blank look … "DUH!". Now I just say, "I'm one hundred miles south of St. Louis." That's easier.

We have two members-at-a-distance, four with medical challenges, and three that are free of canes, walkers, and "just must be extra careful". So we get in a car and go on the first Tuesday. We always find somewhere to eat.

The Ohio River flooded. We'd be trying to eat at the Red Onion in Equality and finally made it. We also visited Old Shawneetown (the bank that refused a loan to primitive Chicago because it would never amount the anything on that lake), crossed over the bridge to say we'd been to Kentucky, and journeyed southward to Golconda, Elizabethtown, Cave-In-Rock, Dixon Springs (home of the Chocolate Factory), and homeward.

The trip to Cahokia Mound allowed us to tour the grounds and to learn the museum is closed on Mondays and Tuesdays. What a bummer! So we used the two lane highways southward and shopped at the Amish Store.

The E-Town River Restaurant was highlighted in a regional magazine; we put it on the list of places to go. Can you believe Elizabethtown is NOT on the Rand-McNally Road Atlas and OnStar can't find it? We knew it was there and found it. It is interesting to eat with the restaurant swaying when the barges go by. And the driver missed a turn and got lost. But we were home before breakfast … and bedtime.

Another adventure was to New Harmony, Indiana. We were very glad we took the open tram tour and were able to go into the restored historic places. The granary is awesome and the opera house's story amazing. Because we go one route and return another, we ate shrimp in Marion.

Yes, the southern women are still here.

DELTA XI

Rhonda Rawlings

Delta Xi held its annual Traffic Stop for St. Jude during the Neoga Days festival. It was a really hot day that day; but we still were able to receive donations. Additionally, Delta Xi co-chaired the 2018 ISC Convention and had a great time with all of those that attended.

Delta Xi is busy planning the Fall Leadership event, which will be held on October 6, 2018, in Neoga. The theme is "Fall – the Gift of Color." We hope you all come to the leadership event; the registration form is included in this issue of the ESA'ly Yours.

GAMMA CHI

Jamie Vaughn

In May members of Gamma Chi came together for our annual awards banquet. We installed our 2018/19 officers. They are: President Amanda Tullis, Vice President Peggy Best, Secretary Jamie Vaughan, Treasurer Dorothea Jenkins, and Educational Director Carrie Rice. Charter member Dorothea Jenkins received Outstanding Woman of the Year.

In June members held their annual yard sale fundraiser at the home of Barbara Young. All profits from the sale go to Easter Seals. A $500 donation is being sent to the organization.

The Educational theme this year is, "Products that We Love!" Member Carrie Rice gave the first report of the year on the Messenger App. She explained why she enjoys using it and how to install and open it on your phone.

Several members were able to attend the state convention in Effingham. Two ladies, Jamie Vaughan and Amanda Tullis were attending for the first time. A good time was had by all.

We are excited to announce we have a new pledge this year. Her name is Gayala Blackford. Several ideas are in planning for upcoming fundraisers. Looks like it is going to be a busy Fall!

OMEGA NU

Deanna Dalby

Twenty years from now you will be more disappointed by the things that you didn't do than by the ones you did do. So throw off the bowlines. Sail away from the safe harbor. Catch the trade winds in your sails. Explore. Dream. Discover." —**H. Jackson Brown Jr., P.S. I Love You**

Omega Nu has set sail for 2018-2019! Omega Nu sisters manned the concession stand for the 2nd annual Mitch Webb Wrestling Tournament, as well as provided goods for the bake sale held on April 7th at Mattoon High School. This local fundraising event helps raise money for the Mitch Webb Scholarship which is given to a graduating Mattoon High School senior who wrestled.

The chilly spring kept us inside while we hosted the Spring Meeting at the Mattoon Public Library; our captains for this event were Dalena Hall and Jo Grafton. The ladies did a beautiful job of decorating and hosting, showing our guests the best of what Omega Nu is.

Our Spring Banquet was held on May 29th at WB's in Charleston. We recognized our outstanding sisters and all the wonderful things they have done this past year. We also welcomed our new officers for our upcoming 2018-2019 year. Congratulations to the new officers of Omega Nu: President, Leann Polston; Vice-President, Terri Crum; Recording Secretary, Misty Douglas; Treasurer, Amanda VanScyoc; Corresponding Secretary, Deanna Dalby and Educational, Carlissa Puckett….let your dreams set sail with ESA!

State convention was held in Effingham from June 8th-10t. Omega Nu sailed away with several awards. On June 12th we held our annual picnic where new and past board members exchanged information for the upcoming year. July 10th was the MARC Williams picnic at Camp New Hope, although it was hot we had Sisters there to help….Thank you ladies! We can't forget Bagelfest, which was held July 19-21. Our sisters were busy calling numbers, and collecting money for BINGO Thursday thru Saturday!

Keeping up with the strong winds on August 3rd and 4th is the annual St. Jude Mattoon to Peoria Run. This year we have 111 runners and 13 volunteers, the goal is $150,000. Also in August our sisters will be attending the Little Theatre on the Square in Sullivan for a fun night out together. Our upcoming business meeting will be held on Tuesday, September 11th.

Let your dreams set sail with ESA!!!

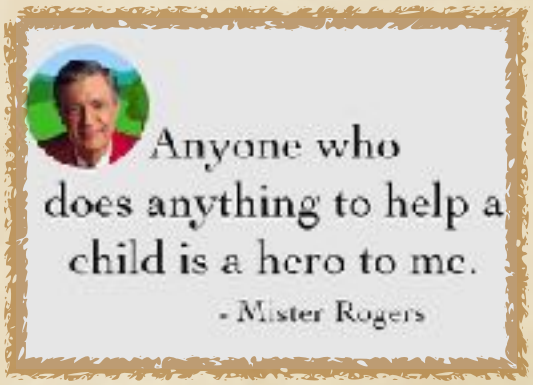
TAU TAU

Joy Reed

Our group is chugging along with several personal challenges, but we keep going. On Saturday, July 28th we had a wine tasting gathering with thoughts towards a rush event… several potential members showed up (some new, some might reinstate), and we had two wonderful guests, Jamie Atchison and Jill Shull. We had a wonderful time while the wine consultant told us all about 8 different wines… reds, whites, sparkling, dry, sweet…. Munchies were available, as well as chocolate (a must in MY book). We learned and laughed, drank and ate. When it was all over, some wine was bought and opened bottles were shared and sent home.

We have plans to help a local organization pack school supplies the second week of August and then hand them out on August 11. We will also be helping several organizations man their booths at the Apple N Pork Festival the last weekend of September in Clinton.

Our next social will be at Merlot and a Masterpiece in Bloomington… date and picture still to be chosen.



XI CHI

Fran Harris-Shaffer

Well, what a time at IC seeing all my wonderful Illinois ESA sisters. Bet you could hear my daughter and I yell when Illinois received those awards. I have many many wonderful ESA times in Illinois. I am proud you have increased in membership. Lurene and I have the same birthday of July 19th. Tesa took us to dinner in the main dinning room. Tesa noticed at other tables was this colorful, salt taffy that really filled the air. Yes, we had one and consumed it.

A BIG ESA HUG FROM ME TO ALL MY ILLINOIS SISTERS.

2018-2019 Proposed Budget Approval — Leann Polston, Treasurer

added college dues from Bradley
deleting line 7-IC welcome party
webmaster is $0 since it was paid out of last year's budget
leave disaster fund $500
Charles B Atchison $250
IL State Endowment $250
Young Leadership Convention $1500

Discussion took place as follows concerning paying for MARC reps to attend MARC convention:

Celeste Webb does not think that the board should pay for the MARC reps since it's never been done in the past and the people who have done it in the past have always understood that they would have to pay for themselves to go to the conference.

Suzie Coffman thinks that having the money available will encourage more people to move up and can then chose to use the funds or not

Dalena Hall feels if we add the MARC registration we may put ourselves into financial trouble again and that it would not be fiscally responsible

Kathleen Grissom feels that using financial troubles as the reason is not viable since we funded other projects that will go for 5 years and didn't think about the financial issues then

Paula Winchester is the MARC rep this year and will be going either way if it is in the budget or not. She was aware that it was a responsibility of the MARC rep to go.
Motion to add MARC registration was defeated
Motion to accepted the rest of the proposed budget for 2018-2019 was carried

Board Meeting / Future Convention Bids — Rhonda Rawlings, President

2018 Fall Leadership & Board meeting, Delta Xi, Neoga, IL

Dates: June 7 – 9, 2019 Location: Holiday Inn, Effingham, IL
Theme: TBD
2020 Convention-none
2021 Convention-none

IL has been asked to cohost with another state for the IC convention in 2021, IN has voted no, Kathleen had heard KY talking about it but didn't not make a decision, its lots of work and IC is dictating most of what happens since they are financial responsible, Celeste asked where it might be-Chicago is too expensive so it would most likely be in a large city with a good airport but not as large as Chicago. Maria feels that if we want to work on focusing on IL and our own attendance, we can't divide our work between IL and IC. Show of hands said no to hosting IC convention in 2021.
